CSE is looking for Student Leaders for 2012!

‘Leaders are not born but are the product of an ongoing process of self-development.’

The Centre for Student Engagement (CSE) and UniAdvice are offering up to 25 UOW students the opportunity to facilitate the 3rd Elevate Young Leaders Forum.

Elevate is a forum for Year 11 Student Representative Council members that aims to inspire and encourage participants to reach their full leadership potential. In 2012 an estimated 300 students from 87 schools will participate in the program.

Skill development
In this role you will practice and further develop a range of skills including
- Direct and indirect communication techniques

- Problem solving through flexibility and innovation

It is a great opportunity to engage with high school students outside their regular school environment.
