First things first ... before you get stuck into the books, it's time to have some fun and get to know your campus. UOW is excited to host new and returning students at the annual O-Week festival, sure to be a highlight of your year!

The festival runs over three days next week and is jam-packed with fun and free entertainment including live bands, DJs and outrageous performers who will literally shock you enough to make your eyes water.

This is where lasting memories of University life are made so grab your friends, come along, enjoy the free BBQ lunch and join in the fun. All events are free to UOW Students. Visit UniCentre's website for the low down on daily events, parties and performers.

Introducing UniCentre

We are UniCentre. And we are responsible for your UOW experience. That is, all the stuff outside of the classroom. Like parties, games and societies, shops, banking services, hair salons, health and wellbeing centres, travel services and let's not forget food because learning can make you very hungry!

Basically, we manage the offering of food, beverage and retail outlets across Campus including, Boost, Fuel, UniBar and Rush coffee, just to name a few. Find out what is on offer on campus www.unicentre.uow.edu.au

The MUGA

Also, coming very soon is the all new MUGA (multi use games area), soon to be open and located on the eastern end of campus, this innovative leisure area is where you can meet friends and use the half basketball court, plus volleyball, badminton and futsal combined areas. You will even find the new The Yard @ 7 Kiosk for lunch and refreshments.

We are here to serve you and hopefully make your University life easier by making all the stuff you need available to you in convenient locations.
Communication is a two-way street, so whilst we continue to tell you about the services and products we have for you via this newsletter, we would love your feedback on products, services and outlets you'd like to see included on campus. Or drop us a line and tell us what we could improve. And please don't be shy to send us a love letter about what you do like, that would float our boat.

Well, that's all for now.

Have a fun Orientation Week.

**BOOST JUICE NOW OPEN IN BLD 11**

Yes that's right, the moment we have all been waiting for has arrived!

Boost Juice Bar is now open on the ground floor of Building 11, next door to Rush 2. They have something for everyone with freshly squeezed juices, smoothies, protein blends and healthy snack alternatives for a low cost. We take the most innocent-looking fresh fruit and veggies (especially the ones with naturally sweet personalities and cute little dimples), then brutally squeeze, pulp and grind into a delicious, vitamin packed juice. Surprisingly this is legal to do.

Look out for Barry Boost strolling around campus during O-Week handing out special offer vouchers.

---

**WIN BACK THE PURCHASE PRICE OF YOUR TEXTBOOKS!**

Do you ever think longingly about all the things you COULD be buying this session if you didn’t have to pay for all your textbooks?

Well UniShop is giving five lucky people the chance to win back the purchase price of their textbooks! To enter the draw, purchase any subscribed text, reference or course note from UniShop, fill in the entry form available at the register, then put it in the barrel in-store. Hold on to your receipt for proof of purchase and be in store Wednesday 20 March at 12.30pm for the chance to win a $100 cash bonus!

Terms & Conditions Apply.

Competition closes 16/3/13. Winning Vouchers are to the value of $300 each. Receipts must be kept as proof of purchase. Winner must be present at the draw to receive extra $100 cash giveaway. Authorised under NSW Permit Number LTPS/12/00307. Visit [unishop.uow.edu.au](http://unishop.uow.edu.au) for full terms and conditions.
