And on the third day, UniBar hosted Gradfest!

That’s right, this year Gradfest has moved location to UniBar and it is doubling down as a great cause, supporting the Autism Research Project run by the Rotary Club of Illawarra.

Along with other organisations, The Rotary Club plan to raise enough money to fund a 3 year PhD scholarship to research further into Autism. All that’s required for you to enjoy UOW students favourite past time is a gold coin donation at the door which will go towards funding.

With that in mind, UniBar are providing cheap drinks all night and an awesome line up of local bands!

Check out Facebook for line-ups and details.

THE FARMER & THE OWL

Finishing with a bang.

Yours & Owls, Music Farmers and UniBar present The Farmer & The Owl, a festival unlike UOW has seen before. Four stages, DJs, bands, food stalls, art installations and an indie market label are all part of the day in a celebration of culture.

Featuring the likes of The Drones, Glass Towers, Dappled Cities, Machine Translations, come and officially party one last time at UniBar!

Well that is until next year ;)
