Hello and thank you for agreeing to be a judge for U Film Fest. It’s an important role and we’re sure you’ll be great at it. The most important thing to remember is that U Film Fest is a celebration of creativity, not of who can make the most professional-looking film. U Film Fest encourages its participants to try new things, make bold decisions and take a few risks. This generates exciting filmmaking and hopefully for you, exciting viewing.

Please score the films out of 100. Try not to get caught up in the technical standard of the film and instead focus on its creativity, originality, entertainment value and ‘vibe’.

That’s about it! Get watching and enjoy!!
