WHAT’S NEW

UOW IS GOING GREEN IN WEEK 13
UOW & UniCentre are celebrating World Environment Day this Wednesday 5 June with a week long schedule of events and activities.

See the World Environment Day display at unishop who are offering 10% off environmental books, enviro-stationary and Fair Trade products all next week.
For more information see the [website](#) or [Facebook events page](#).

**NEW BIODEGRADABLE CUPS AT RUSH**

Sticking with the environment theme, our friends at Rush are now stocking environmentally friendly BioCups.

Unlike traditional paper cups that use a petroleum-based plastic lining, BioCups are lined with a bio plastic lining derived from cornstarch, which emits fewer greenhouse gas emissions.

Look out for their bright green enviro bins and make your contribution to environmental sustainability around campus by ensuring to throw your BioCup in these bins for composting. Check out UniCentre on [Facebook](#) for more details.

**NEW FOOD MENU AT THE YARD @ SEVEN**

UOW’s newest kiosk the Yard @ Seven has an incredible selection of toasties, sandwiches, muesli and sweet treats!

Anyone who wants their tastebuds amazed HAS to check this place out!

Find them located in the new engineering precinct of building 7 (between engineering buildings 1, 2, 4, 8 & 39)
